

The Municipal Boundary file offers provincial coverage of Municipal boundary line work, featuring Counties, MD's, Special Areas, Improvement Districts, Cities, Towns, Villages, Summer Villages, Hamlets, and most First Nation Reserves. The file is kept current integrating Government of Alberta Municipal Order in Council changes, and is maintained in-sync with the cadastral base.

## DELIVERABLE

Description	SHP Name	Feature Type	Geo-Admin Attribution
Rural Municipality Boundary	Rural	Polygon	GEONAME, GEOCODE
